Subject: Shiloh Church Road - cargo van rental

Chris

Per your request, listed below is the pricing associated with the current cargo van rental along with justifications for its use at the site. Please let me know if you have any questions or if you need additional information:

- Rental Charges for cargo van
 - Daily = \$55
 - Weekly = \$302 plus tax (equates to approximately \$47/day)
 - Monthly = \$1,210 plus tax (equates to approximately \$44/day)
- Box truck (Fixed Rate Equipment under the START VI contract)
 - Daily = \$54

Justification

- The only box truck rentals available at the time of mobilization (due to COVID-19) were 26-ft
- Space restrictions at the site preclude the use of a box truck
- Cargo van is needed for space to transport/store equipment and supplies
- With the weekly and monthly rates available, the cargo van ends up being cheaper than the Fixed Rate Equipment box truck

Thanks
